PROSPECTUS 2024

MONARCH bring speed to your life

Monarch College of Art and Technology is the roots of Art & Animation Technology. This college is established during the year 2004 and continuously scoring an outstanding records all over India. Many students prepared in this course have achieved success in their lives and employed at various Art and Technology sector and also got appointed as an ASSISTANT PROFESSOR at Prestigious college of St. Xavier s & LOVELY PROFESSIONAL UNIVERSITY. We take immense pride in showcasing our remarkable achievement of our student's outstanding contributions to the iconic world of animation at Walt Disney. It is affiliated to the University of Kalyani, Nadia, West Bengal. Now it is one of the best college of this State.

The college is moving ahead with continuous and spontaneous support from the eminent personalities of Animation industry and corporate house with enormous success in running the college of Art and technology.

We are thrilled to announce the expansion of our Animation College family with the launch of our brand new campus in the vibrant city of Kolkata. Building upon the success of our existing campus, we are excited to bring world-class animation education to aspiring artists and creators in this culturally rich and dynamic city

Welcome to **MONTECH ENTERTAINMENT Pvt Ltd** (Production House), a center of excellence where artistic visions come alive. Since 2021, we have been dedicated to nurturing the next generation animators and filmmakers, equipping them with the skills and knowledge to thrive in the ever- evolving world of animation and entertainment. "**Cosmos Maya**", "**Reliance**", "**Animatezone**", "**Paper boat**", "**Green Gold**" etc. showcases our ability to handle complex and high-profile projects, delivering results that exceed expectations.

We have already opened an English medium school, **Monarch School Of Human Excellence Bhajarampur**. chariotis continuously moving on.

It's our fourth step to have a Bengali medium school, **Monarch School of Human Excellence**. Affiliated by-
W.B.B.S.E

It's our third step to expand our branch and that is B.Ed college **Monarch College Of Education** at Bhajarampur, under Hariharpara P.S which is a radiant road to this remotes corner. It was recognized in the year 2012 by N.C.T.E and affiliated to the Baba Saheb Ambedkar Education University. Also D.El.Ed Courses are available here. (West Bengal Board Of Primary Education)

Now we are highlighting a good news to the people of Berhampore that We are now being opened a branch school at **Monarch World School at Berhampore** also from play to class IV. After completion of this primary section, they will get the opportunity to continue their study at our main campus at Bhajarampur Monarch always gives the students a Man-making Education and also helps them to stand in their future career.

Another **D.El.Ed, B.E.D College Institute Of Human Excellence** has launched at Bhajarampur which is our sister Concern. We are bond to maintained a Co-friendly environment among the students. This college is recognized by the N.C.T.E and affiliated to the West Bengal Board of Primary Education. The performance of this college is very excellent. Now here is also B.Ed course under Baba Saheb Ambedkar Education University.

SHUVAM DAS

I have completed the course in 3D modelling and then got the placement in **MONTECH ENTERTAINMENT PVT.LTD.** I must say all the teachers gave us well training to reach our goals. The college environment is totally good and my colleagues are very friendly as well.

SAYONI MONDAL

MONARCH COLLEGE OF ART AND TECHNOLOGY is the best animation college ever. The teachers are very friendly and teaches us so well. I would highly recommend to everyone that come to this college once and you will love it.

NILADRI BISWAS

I have been doing the 3D Modeling course since two and half years and i am absolutely loving how all the teachers are cooperating with us and giving their best in case of teaching. The environment of this college is very good.

SUBHO MONDAL

All credit goes to **MONARCH COLLEGE OF ART AND TECHNOLOGY** they provided us the right track and filled me with knowledge. I am fortunate to learn 3D modeling from such a leading institute in Kolkata as well as such a good faculty.

ARITRA SAHA

I have been doing the classes since two and half years and I must say that all the teachers are very helpful in this college. They are giving classic training and the environment is so good and comfortable.

KUSHAL SAHA

I have completed the course in this college, and after completing the course I got placement in their own production house MEPL. If you are looking for a bright career and instant placement then I would suggest that this is the best place to come and join.
